PAULA'S PAGE

Dear Church,

Grace and Peace to you from our Lord Jesus Christ and I pray that you begin this new year with gladness and gratitude. I often think of New Year Resolutions and how many times we make and break them. We make these promises to ourselves so why do we break them? I would rather make promises to all of you. This year I promise to keep things positive, to approach each of you with grace and gratitude – maybe that will bring more peace and gladness. I promise that when I need your help with something, whether a project or just with getting through tough times, I will ask

for it. So, here's my first ask – How are things going with the church? Are you seeing needs that are not being met? If there is something within my capabilities and power to change, I am willing, if I can't help, I will be honest and let you know that too. I am not saying that there are problems within this church or in the congregation, but if you see something I am not seeing I hope you will let me know. Some things are better if you don't sweep them under the carpet.

Here are some things to remember for the coming new year. First and most important is the weather, please keep yourselves safe. If the weather turns bad and you are not comfortable traveling please stay home – I would rather miss you one day due to weather than for a lifetime due to accidents. Next, we are changing the time for our Wednesday Bible Study group from 10:00 a.m. to 1:00 p.m. to better accommodate some of our schedules. Finally, remember that you are a big part of this church family and, as in every family, nothing is done without each member pitching in. We need volunteers for many church projects – think about what you are willing to do for the church if needs arise and please let one of your church leaders (any member of the board) know. It takes a village!

Blessings and wishes for a safe and healthy new year.

ANGEL TREE: Gifts for the Children of Bradford-Tioga Head Start Program ...

Thank you to everyone who participated in our "Angel Tree" program. We received seventeen (17) children's names from the Bradford-Tioga Head Start at the Lynch-Bustin Elementary School. All of the children received gifts from our church. The families do appreciate your generosity!

In addition to providing Angel Tree gifts, we also provided a Thanksgiving dinner for a blended family of seven. We received a Thank You Card from the family — "Thanks for all you did for us on Thanksgiving. We appreciate it very much for your help." Thank you to all who contributed food to this outreach.

THANK YOU to everyone who decorated the Sanctuary for Christmas this year.

WORSHIP SERVICES and BAD WEATHER ...

"In the case of bad weather on Sunday, please do not attempt to come to the church if it is not safe for you to do so. I will be in the church, there will be a service regardless of attendance - if no one can come I will record a message for YouTube and post it myself. The church will remain open for anyone who wants to worship on any Sunday."

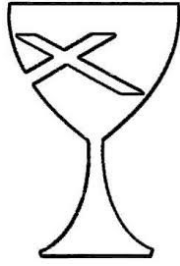

Coins for a Cause" ...

The Society of St. Andrew will continue to be the recipient of this program. All are encouraged to bring your loose change for the jar located in the sanctuary. The Society of St. Andrew was founded in 1983 and works with farmers to harvest unmarketable fruits and vegetables, and organizes volunteers to pick, pack, and transport healthy produce to local food banks, free church pantries, shelters, and other non-profits.

To Family and Friends of Bruce Bach, who passed away on December 16, 2025. Bruce has been on our prayer list and is a friend of Sayre Christian Church.
