PAULA'S PAGE

Dear Church,

Grace and peace to you from our Lord Jesus Christ. I pray that you are surviving these frigid winter months!

Did you know that February 20th is the middle of winter and considered by some "Hoodie Hoo Day" for the Northern Hemisphere. Hoodie Hoo Day is a day when people go outside at noon, wave their hands shaking their fists at mother nature, and shout "Hoodie-Hoo!" to chase away winter and welcome spring! Sounds silly but we all need something fun to do in the dark mid-winter.

Here are some things the church is doing for February; the eighth is Scout Sunday, and the scouts are inviting you to join them as they conduct the worship service in our church. These young men and women, by doing these activities, are earning their faith-based badges – it is exciting to see the youth participate in such a way a grow in their faith.

Ash Wednesday and Lent comes early this year, February 18th is Ash Wednesday and the beginning of Lent. Our Sunday School lessons will continue to focus on the book of Revelation during Lent but the Wednesday 1:00 p.m. Bible Study class will find a video study that focuses on Lent. I plan to do a sermon series that focuses on Jesus' Sermon on the Mount that will carry us through to Palm Sunday – that starts next week so stay tuned.

Our church's missions are moving forward, if you have time to read the minutes and notes from the most recent board meeting you will see the Ministry Council / Outreach team's report on where your giving toward mission has gone in the past year. Even our small church can have a significant impact when we partner with other organizations within the community and within the scope of our general church. God bless you all and praise God for the opportunities we have for service.

Blessings,

Pastor Paula
